# Cremona Plan

The diagram illustrates a graph structure with nodes  $n_0$  through  $n_{14}$  and edges  $e_1$ ,  $e_3$ ,  $r_0$ ,  $r_1$ , and  $r_2$ . The nodes are arranged in a sequence of triangles. The edges  $r_0$ ,  $r_1$ , and  $r_2$  form a path. The edges  $e_1$  and  $e_3$  are highlighted in green. The edges  $e_2$  and  $e_4$  are shown as dashed lines. The nodes are labeled with subscripts  $i$  and  $j$  to indicate their position in the sequence.
